MEDIA DAY

As you probably already know, the Media Day will take place on September 1th. The gates of Batajnica Airport will be open from 11 a.m. until 4 p.m. Director of Batajnica Air Show Brigadier General Predrag Bandic will have a short briefing for journalists at 12 a.m.

We don't organize transport to the Airport on Media Day.

TRANSPORT ON THE AIR SHOW DAY

In order to avoid traffic crowd, Public Relations Department is organizing transport of media representatives on the Air Show Day to the Batajnica Airport.

Please be at 7 a.m. in front of the Central Military Club where the buses will be waiting (address: Braće Jugovića 19).

We warmly recommend you this way of transport because it will make you easier to get to the Airport.

Once more we remind you that last day for accreditation in Ministry of Culture and Media is Friday, August 24. [Instruction.](#)
